

Operative Unit: **CENTRO UNIFICATO RICERCA BIOMEDICA APPLICATA – CRBA
DR. PASQUALE CHIECO**

Department: **Programma Aziendale**

Company: **Azienda Ospedaliero - Universitaria di Bologna
Policlinico S. Orsola - Malpighi**

Quality System std : **ISO 9001:2000**

Address of locations where the activities, subject of this certification, are performed:
Via Massarenti, 9 Bologna – Italy

Products/Services:

Coordination and laboratory management to fulfil and share biomedical research activities. Teaching and training in the fields of expertise. Service role addressed to advanced biotechnological analyses.

Types/Models/Characteristics:

Organizational, management and formative functions and technical-instrumental support for teams performing biomedical research activities in cell and molecular biology and in biochemistry.

Main technologies and processes:

Molecular biology (PCR, real time PCR, mutation and SNP analysis, sequencing, DHPLC, Southern and Northern blot), proteomics, (Western blot, 2D gel, Maldi-TOF), cell cultures (primary, cloning, gene transfer, GMMO, plasmids), in vivo biophase (rodent breeding, surgery and microsurgery, organ perfusion), cytometry and sorting, histology, cytology, cytochemistry, laser microdissection, biochemistry (spectrometry, chromatography, FRET, RIA), bioinformatics and statistics.

This data sheet is ancillary to Certificate N° 1200 and subordinate to its validity.

This certification has been granted in compliance with the Sincert Technical Regulation RT 04
